A photograph of a white porcelain sink installed in a speckled, light-colored countertop. The sink is rectangular with rounded corners and a central stainless steel drain. Above the sink, on the countertop, is a white ceramic soap dish containing a bar of white soap with embossed text. Next to the soap dish is a white ceramic cup. The background is dark, possibly a wall or cabinet. A semi-transparent blue banner is overlaid across the middle of the image, containing the text 'Porcelain Sinks' in white.

A modern shower set is displayed against a dark, marbled wall. The set includes a large, circular rainfall showerhead mounted on a chrome arm, a handheld shower wand on a vertical bar, and a square thermostatic control panel with two knobs and a red indicator. The shower is set within a glass enclosure, and the floor is a light-colored, textured material. The overall aesthetic is clean and contemporary.
