Stainless steel drop-in kitchen sinks are a popular choice for their durability, sleek appearance, and easy installation. Designed to fit into a pre-cut countertop hole, these sinks are mounted from above, with the rim resting on the counter surface. Stainless steel provides excellent resistance to stains, corrosion, and heat, making it ideal for kitchen use.

Our drop-in kitchen sinks are available in various sizes and configurations, from single to multi-bowl designs, offering versatility to suit different kitchen layouts and needs. Their minimalist, modern look complements a wide range of kitchen styles.

# Vanity Tops

Our vanity tops come in three different materials: one-piece porcelain, pure gray quartz, and white calacatta quartz.

This elegant collection of vanity tops offers three stylish options to enhance any bathroom. Choose from a sleek one-piece porcelain top with an integrated sink for a seamless look, or opt for the luxurious quartz tops. Available in two quartz styles—Pure Gray, with single or triple sink hole options, and White Calacatta, featuring both thin and thick vein patterns for a sophisticated marble-like finish—these tops provide both durability and timeless beauty. Perfect for pairing with various vanity designs, these tops elevate your space with modern, high-quality craftsmanship.
