FIRECLAY SINKS

FIRECLAY

Our Fireclay sink is a traditional versatile two sided timeless piece sculptured on one side or a contemporary flat front on the other. Fireclay fired at 2400 degrees for 24 hours makes the sink durable, scratch, and stain resistant.

STYLES

Dual Mount - Either Undermount or Topmount Sink
Workstation Farmhouse Sink
Farmhouse Sink

Features vary by model & include:

- One Side (Smooth) or Double Sided Design (Smooth or Sculptured)
- Scratch and Stain Resistant
- Easy to Clean Glossy Glazed Finish
